Omada A/S recognizes the need to maintain an appropriate internal control environment and report on the effectiveness of, as well as material changes to, its systems of internal control.

This letter confirms that, based on our records, and to the best of our knowledge, for the period of 1<sup>st</sup> April 2022 through 30<sup>th</sup> June 2022, we are not aware of any material changes to the controls related to our Omada Identity Cloud, nor has anything come to our attention that we believe would impact conclusions reached in the 2021 - 2022 Omada System and Organization Controls SOC2 Type 2 and SOC3 reports.

This letter is not intended as a substitute for the 2021 - 2022 Omada System and Organization Controls SOC2 Type 2 and SOC3 reports, or to provide you with a certification of Omada Identity Cloud internal controls, or to suggest that Omada Identity Cloud has performed a separate evaluation of its respective controls for the purposes of producing this letter.

Sincerely,
